After Thorough Trial a Detroit, Mich., Man Endorses Pe-ru-na

The following letter written from Detroit, Michigan is no snap judgment expressed on the merits of Pe-ru-na, the well-known catharremedy, but rather a mature, sober opinion formed after a full year's trial.

This is the way Mr. Michael Fako of 806 East Palmer Avenue, in the Michigan Avenue, is speaking of Pe-ru-na. After taking Pe-ru-na for about one year will you I have found it a very good medicine for catharrh. It has helped me a great deal and I am very well pleased. I have gained in weight, eat and sleep well, my bowels are regular and better color in my face.

If handsome is as handsome does, some good-looking girls are anything but handsome.
